

Dear Store Manager:

An important part of the mission of the Flag Manufacturers Association of America (FMAA) is to educate the general public about the United States manufactured flag industry and its significance to community, as well as to economic and social development. **We, the manufacturer members of the FMAA, have identified your business as a possible FMAA Certified Retailer to partner with us in this mission.**

The benefits to you, as an FMAA Certified Retailer, include:

- Listing your store on the FMAA website along with a link from the FMAA website to your own store's website.
- Use of the FMAA social media program content and images on your own emails, social media, public relations contests, etc. (a value of \$40,000 based on what the FMAA manufacturers are contributing for an annual program).
- Use of the FMAA logo on your website, marketing materials, and in-store displays.
- Use of the FMAA scholarship entrant videos in your own store's marketing.
- Ability to offer a scholarship entrant an internship for digital marketing (you choose a candidate local to you or choose to work virtually).
- Benefit from your association with the FMAA and their "Made in America" campaign as well as their initiatives to educate consumers and the "Made in America" brands and the labeling requirements.

In exchange for your partnership, you would agree to only distribute US flags that are made in the United States, as specified by the FMAA's "Certified Made in the USA" program. This program is currently being offered only to the retail clients of our manufacturer member companies.

**The cost to you is just \$100 for a one-year agreement.  
If you join now, your membership will be valid through December 31, 2018!**

The FMAA established their certification program to instill confidence in the buying public and foster awareness of the quality and value of the products they manufacture. We are confident that your store would benefit from being an FMAA Certified Retailer and we encourage you to support the FMAA.

**Please complete the enclosed agreement and return it with your payment to the address below.**

If you have any questions, please do not hesitate to contact FMAA at 610-971-4850.
